

## Open Scholarship Reproduction and Distribution Consent Agreement

I, \_\_\_\_\_, as copyright owner of the Work described below, hereby grant specific and limited reproduction and distribution rights to The Washington University: I authorize Washington University Libraries to digitize, copy, display and distribute the Work described below for nonprofit, educational purposes via the Internet as part of the Washington University Open Scholarship digital repository. This is a non-exclusive, perpetual, royalty-free grant of permissions for specific off-line and on-line uses.

When granting this permission, you may select between two levels of access—restricted and unrestricted; or alternatively, no access at all (please check box below desired level of access):

*Restricted Access:*

I grant The Washington University the non-exclusive right to reproduce and distribute my submission via the Internet where it will be restricted to the Washington University community, and make it part of Washington University Open Scholarship.

Restricted content is accessible only to people within the WUSTL IP range. Users outside of the Danforth, Medical, West, and North campuses are unable to download or view your mat

Check here for *restricted* access.

*Unrestricted Access:*

I grant The Washington University the non-exclusive right to reproduce and distribute my submission via the Internet and make it part of Washington University Open Scholarship.

Unrestricted content is accessible to the world.

Check here for *unrestricted* access.

Check here for **no** access.

Off-line uses are limited to those specifically allowed by "Fair Use" as prescribed by the terms of United States copyright law (cf, Title 17, U.S. Code), as well as to the maintenance and preservation of a digital archive copy. This license does not authorize exploitation of the Work for profit or commercial use.

In granting this permission, you warrant that:

1. You have the full power and authority to make the agreement;
2. The submission does not infringe any existing copyright, nor violate any proprietary rights, nor contain any libelous matter, nor invade any third party rights of privacy or publicity; and
3. The Work is free from all liens and claims.

Content may be updated or removed from public view at any time by sending a request to the system administrator at [digital@wumail.wustl.edu](mailto:digital@wumail.wustl.edu). Citation to the original submission may remain on the site.
